OTTEPATHE-TRADE-MARK -- 1901-1902-1903

My Dear Postmaster: We want to tell you about Easter Post cards. This card is a sample of one of the hundreds of others that we put up in our "On Two Sides" packs of 20 cards, 4 packs, or cards, on two sides, for 5¢. Single packs, 25¢ each, postpaid. We warrant satisfaction or money back. Send us or ten cent stamp or a dollar bill for a sample bill. No bill of lading--we take the risk. Don't send personal letters as we have to pay for collection.

We have about 100 New England F. M.'s now on our list, and they all say they like our cards and our way of doing business. Return promptly any cards you do not want and get money or other cards for them. We sell all kinds of Post Cards and want to do business with you. Give us a trial if you sell Post Cards, and if you don't, please hand this card to someone who can.

E. C. HOLMES,

Clark in charge No. 4,

Boston, Mass.

W. M. C. BROWN,

Remember we pay postage and warrant satisfaction
or money back.

Postmaster,

Lamartine

Ohio.
